

Staff Optometrist

DotHouse Health is a federally qualified health center (FQHC) that promotes health and wellness. Its historic roots date back more than a century. Its mission is to be an essential community resource through achieving the highest levels of health, well-being and quality of life for its residents, to provide affordable, accessible and exceptional healthcare and other essential services in an environment that respects consumers, staff and a diverse community and to be a leading force for change in the health, economic and social well-being of the community. It strives to be a welcoming center of community life in the Fields Corner area and a critical resource for all of Dorchester. It is known for clinical excellence and exceptional care that values and reflects the neighborhood's cultural diversity. DotHouse Health prides itself on serving as a model for providing care regardless of one's ability to pay and as a leader in promoting the health of the entire community.

A busy, culturally diverse, state of the art Boston area neighborhood health center is seeking a qualified optometrist (residency trained or equivalent) for a full time position in the Eye Care Service. The qualified candidate will provide comprehensive eye care in a multidisciplinary setting which emphasizes the wellness of diverse and underserved populations. The optometrist will also participate in the training of eye residents and interns and related didactic activities.

- Competitive salary (commensurate with experience) and excellent benefits package
- Excellent workplace environment
- Potential for growth and advancement
- Affiliate of the New England College of Optometry
