

GENERATION NEXT ACADEMY

is a collaborative initiative located at DotHouse Health. It is a free, year round, drop in Teen Center which prepares youth, ages 12– 19 to be well-rounded young adults for high school graduation and college enrollment.

Whether you need help academically, want to socialize with your friends, create an artistic masterpiece, dabble in technology, get advice from a peer leader, or just want a cool place to hang out, the Teen Center is for you!

Homework help
